

SANTA BARBARA

POLO & RACQUET
CLUB

TWENTY - TWENTY SEASON

**WELCOME TO
SANTA BARBARA POLO
& RACQUET CLUB**

To all of our members, sponsors, players and fans,

We look forward to a very exciting season for 2020. We had record attendance and the highest number of teams at all levels in many years in 2019. We expect to have even more teams this season and have another exciting, highly competitive series of polo tournaments, starting with 12 goal in May/June and continuing with our high goal and the 16 goal level in July/August. Even though it is early, we are hearing of strong interest in our 8 goal in the fall as well. We welcome all of our members and fans to join any of our entry level programs to learn the game in our arena or our coaching leagues.

We were awarded the Silver Cup by the United States Polo Association, which will replace the Americas Cup and be the second tournament in our high goal series. It is a storied tournament and just behind the U.S. Open and Gold Cup in Florida, and will return to our venue - where it was played for many years. Over Labor Day weekend, we will host the Chamaco Cup of the USPA team against team Mexico and again the Women's Pacific Coast Open - a week after the finals of the three week Pacific Coast Open and our pinnacle and final high goal tournament.

We expect very competitive tournaments and open, fast polo. Last season, we had a different champion for every tournament, as testament to the close competition in most of the matches. Make your plans to join us again. We have a splendid team that continues to improve our product offering each year and expect to continue to meet your expectations of great service this year.

Sincerely,

John Muse
Club President
