Please post this on your vehicle so our valet company, BlueStar, can easily identify you're a member to receive complimentary valet parking every Sunday. If your guests arrive separately from them, please ensure they have a reservation with you in order to obtain your complimentary valet member benefit.

To increase your level of service as a member by having high staff retention, we will be implementing a 20% Service Charge for all food and beverage orders.

Terrace: We've really enjoyed having our members experience the coveted space of the Terrace. To support this age-old benefit, there will be a \$15++/person, food minimum for each guest. If a cancellation is made and we are unable to reallocate the space to another member, as well as a no-call-no-show, then the price of \$15++/person will be found on the member's account. We know you will be enjoying the flavorful experience Seasons Catering will be sharing with you all.

Seating

Terrace: We've enjoyed having our members with us on the terrace. We'll be opening the terrace reservations for May & June in March. For July & August, we'll be opening terrace reservations in June. More details to come.

Reservations: Please make your reservations by contacting us at: tickets@sbpolo.com or 805-576-7292.

Guest Policy: If you would like to invite guests to join you for a day of Polo you have a couple options. If you are a Box Holder, you are able to invite as many guests as your box accommodates, for no additional cost. If you do not have a box and would like to have guests join you on the terrace for the day please make a reservation so we can best support. Please note that guest admission is not included in your membership, this includes terrace reservations. Please see guest policy in the Rules & Regulations handbook for further details.

Please be reminded that guests must be accompanied by their member for terrace or grandstand reservations.

Guests may not use reservations without the member's presence.

Member Boxes: This year we are excited to extend the option to sell your box for both the Ocean & Mountainside boxes. If a box holder knows they will be away for a planned vacation and notifies the club that they will be absent, the club will put the box up for resell for non-members or members alike. If the club is able to resell the box, the box owner will receive a credit on their statement for the value of the box based on the price the box owner pays per day for their box. For example: If your box is \$1,200.00, divided by 22 Sundays per season, the daily credit would be \$55.00.

The credit is available throughout the season until October 31st. It is available for 4 times a year and may be used for any of the following: tennis, swim or fitness lessons (all at the member rate) as well as food, beverage, and apparel.
